ABOUT US

SUPERIOR INC:

Pioneering Sustainable Urban Mobility At SUPERIOR INC, we believe in redefining urban transportation by providing innovative and sustainable solutions. As a leading electric scooter brand, we are committed to revolutionizing the way people move in urban environments, prioritizing efficiency, eco-friendliness, and style.

OUR MISSION:

Empowering Cities, Connecting Lives. At the core of our mission is the commitment to empower cities and connect lives. We aim to create a positive impact on urban mobility by offering electric scooters that are not only environmentally friendly but also enhance the overall commuting experience.

VISION:

A Future of Clean, Efficient, and Accessible Urban Transportation. We envision a future where urban transportation is synonymous with sustainability, efficiency, and accessibility. Our electric scooters are designed to contribute to cleaner air, reduced traffic congestion, and improved accessibility for people in every corner of the city.

CORE VALUES:

Innovation: We embrace continuous innovation to stay at the forefront of technology and design in the electric mobility sector.

Quality: Our commitment to excellence ensures that every scooter we produce meets the highest standards of quality and durability.

Customer-Centric: Customer satisfaction is our priority and we strive to exceed expectations by delivering exceptional products and services.

Long Battery Life: Enjoy extended rides with our advanced battery technology, providing long-lasting performance on a single charge.

Safety First: Equipped with state-of-the-art safety features, our scooters prioritize rider safety without compromising on style

PRODUCTION FACILITIES:

Manufacturing Equipment: Details of machinery used in scooter production:

- CNC Machines welding stations.
